SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: Housing Search Process for Racial/Ethnic Minorities.

Type of Request New.

OMB Approval Number: N/A.

Form Number: None.

Description of the need for the information and proposed use: It has suspected that differences between the rental housing search process employed by racial and ethnic minorities and other populations may have significant consequences for the housing opportunities available to minority households and the strategies needed to combat racial and ethnic discrimination. This is an exploratory inquiry into a topic that is not well understood and has not been a well-developed research topic. The findings of this study will help guide research toward a more comprehensive understanding of the rental housing search processes of individual households and will inform development of more effective enforcement strategies to combat discriminatory practices and will indicate ways to expand housing opportunities for racial and ethnic minorities.

Respondents; Recent movers and current housing searchers in large scale cognitive testing and a limited number of in-depth interviews of some members of the testing group.

There are no capital/start-up or ongoing operation/maintenance cost to respondent or record keepers associated with this data collection.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.
